What Have We Left Behind?

Most successful people would probably tell you that what separates great people from ordinary people is that great people are willing to risk making decisions, whether right or wrong, and then acting on those decisions. Great people are people who have made great choices, often very risky choices, but in the long run their choices have usually been right. Biblical history is peopled with folks who were confronted by decisions they had to make.

Just imagine the decision required of those fishermen on the shores of Lake Galilee. Simon Peter, Andrew, James and John were fishermen, true, but they were businessmen. Perhaps even prosperous businessmen. Fish was a staple in the diet, and fishermen could often make a very good living. The brothers Peter and Andrew were

probably business partners with the brothers James and John and most likely had a good business going. So when Jesus said to the two sets of brothers, "Follow me," He was not calling them to leave a sport, or a hobby; he was asking them to leave their careers, their livelihoods, and their families! They had everything to lose.

What have we left behind to follow Him? Unless there's some pain, some discomfort, some sacrifice, then most probably we haven't left anything. Perhaps we're still fumbling about in our boats, tossing our nets over the side, and business goes on as usual.

Yet, if we do that, the Great Fisherman might leave us and move on to someone else, and the choice might go by forever.

ST. JOHN CHRYSOSTOM

God our Father, in your wisdom and love you have created us and called us your own. Bless our fathers, that they may be strengthened as Christian fathers. Let the example of their faith and love shine forth. In moments of joy, rejoice with them. In times of struggle, give them your courage and perseverance. Grant that we, their sons and daughters, may honor and appreciate them always with a spirit of profound respect. May the example and prayer of St. Joseph inspire them to live with courage. Grant this through Christ our Lord. Amen.

PRAYER FOR PEACE IN UKRAINE: *We thank You, Master and Lover of mankind, King of the ages and giver of all good things, for destroying the dividing wall of enmity and granting peace to those who seek your mercy. We appeal to You to awaken the longing for a peaceful life in all those who are filled with hatred for their neighbors, thinking especially of those at war or preparing for war. Grant peace to your servants. Implant in them the fear of You and confirm in them love one for another. Extinguish every dispute and banish all temptations to disagreement. For You are our peace and to You we ascribe glory: to the Father and to the Son and to the Holy Spirit, now and forever and unto ages of ages. Amen.*

Prayer to Saint Charbel Makhlof

Lord, infinitely Holy and Glorified in Your Saints, You have inspired Charbel, the saint monk, to lead the perfect life of a hermit. We thank You for granting him the blessing and the strength to detach himself from the world so that the heroism of the monastic virtues of poverty, obedience, and chastity, could triumph in his hermitage.

We beseech You to grant us the grace of loving and serving You, following his example. Almighty God, Who has manifested the power of St. Charbel's intercession through his countless miracles and favours, grant us... (State your intention(s) here...) through his intercession. Amen.
